BENEFITS^{PC}

Happy Employee Benefits Day!

Haynes Benefits PC would like to take a moment to recognize all who dedicate their services in the employee benefits industry and let you know the firm appreciates the opportunity to be of service to you!

National Employee Benefits Day was created by the International Foundation of Employee Benefits Plans ("IFEBP") in 2004.

Haynes Benefits PC likewise is celebrating its 15th anniversary of continuing to focus on employee benefits and human resources law.

It's a two-fold celebration!
